

Transforming Ideas into Powerful Software Solutions
for Business Growth

Introduction

Amar Infotech: Your Partner in Technological Excellence.

Founded in 2008 as a subsidiary of Amar Technolabs Pvt. Ltd., Amar Infotech has evolved into a dynamic software development company. Our primary focus revolves around offering solutions for contemporary challenges. Positioned as a prominent player in the information and technology landscape, we deliver adaptive and personalized resolutions to meet the unique needs of our clients.

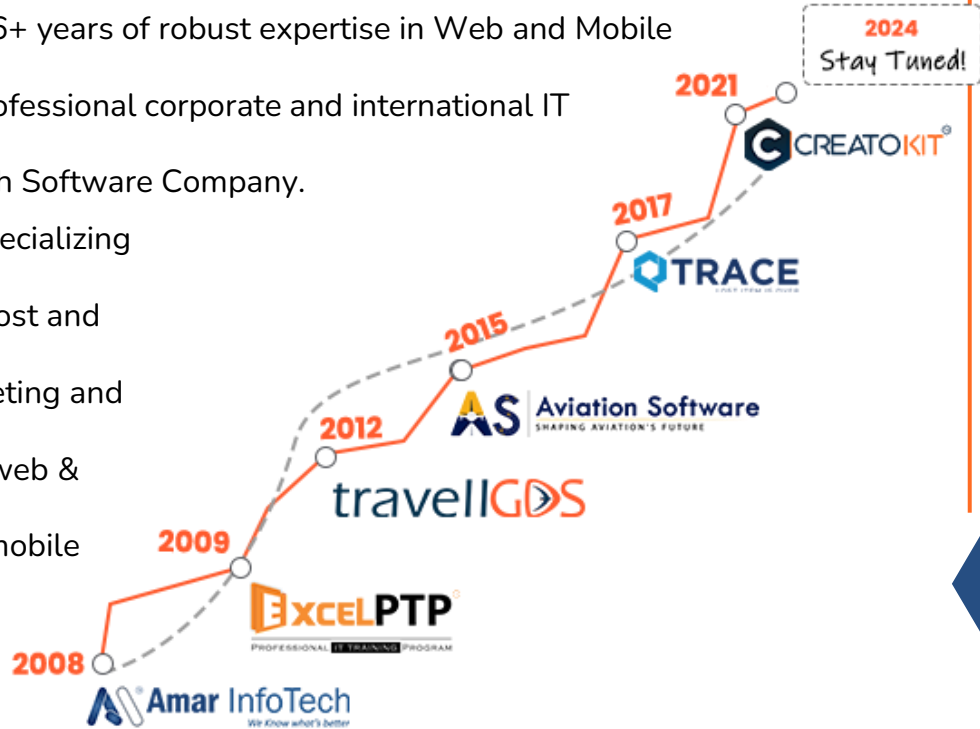

Our vision entails revolutionizing business operations through a fusion of enterprise mobility, big data analytics, IoT, artificial intelligence, and cloud computing. Our adept team empowers enterprises to navigate the challenges of a competitive world and align their growth with transformative goals spanning operations, technology, and human resources.

At Amar Infotech, we are dedicated to crafting innovative solutions that push the boundaries of technological possibilities. With a relentless commitment to excellence, we have emerged as a trusted partner for businesses seeking to harness the power of cutting-edge technologies. Our expertise spans a wide spectrum of services, enabling us to provide comprehensive solutions that cater to diverse industries and niches.

Delivery Model

Hourly Basis

Our "Hourly Basis" delivery model offers the flexibility you need for dynamic projects. Pay only for the hours worked by our skilled professionals. This model is perfect for tasks that require ongoing adjustments and transparency in resource allocation.

Project Basis

With the "Project Basis" model, we provide a fixed-cost solution tailored to your project's scope and timeline. Expect well-defined milestones, deliverables, and agreed-upon deadlines. No surprises, just results.

Dedicated Basis

Our "Dedicated Basis" model assigns a specialized team to work exclusively on your extensive or intricate project. Benefit from in-depth collaboration, rapid iteration, and a solution that aligns perfectly with your vision. Your project's success is our singular focus.

WHERE PASSION MEETS PURPOSE

Happy People, Happy Clients
